Congratulations! You have successfully completed the online Machine Learning course (ml-class.org), offered April through July, 2012. To successfully complete the course, students were required to watch lectures, review questions and complete programming assignments. Your score was as follows:

Review Questions: 78.5 out of 80  
Programming Assignments<sup>1</sup>: 750.0 out of 700

Sincerely,

A handwritten signature in blue ink that reads "Andrew Ng". The signature is fluid and cursive.

Andrew Ng

Associate Professor

Computer Science Department

Stanford University

<sup>1</sup> Your programming assignments score may be higher than 700 because of a possible 50 points of extra credit.
